《A business stage to promote efforts at improving facilities and streamlining operations at food factories!》

Suggestion for improving Food Factories

- Preparing for HACCP
- Approach to aging
- Labor shortage
- Environmental initiatives

You can propose to food experts with some problems.

A great many factory managers and key persons in the production and engineering works departments will visit the show!

This year's Food Factory, which specializes in improving facilities and streamlining operations at food factories, will mark its 5th installment. By focusing on food production and processing settings, the show will offer an opportunity to have business meetings with end users efficiently.

Seminars for improving Food Factories

In light of the recent trends in food factories, a wide variety of seminars appealing to visitors will be held! It will help attract visitors from around the country.

Number of Visitors & Breakdown Analysis (2018)

Sep.26,wed. - 28,Fri., 2018

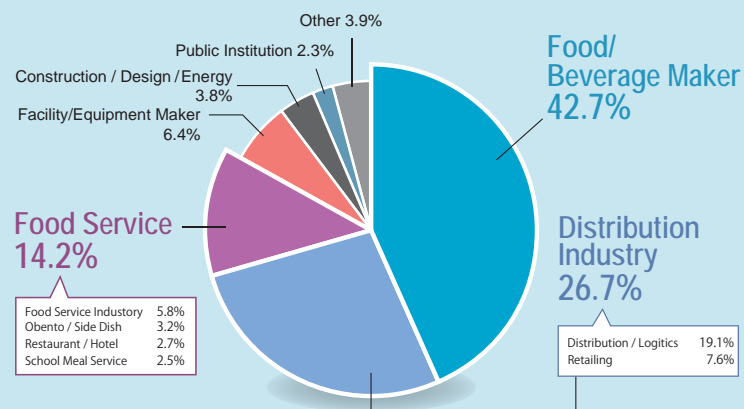

Number of Visitors

46,085

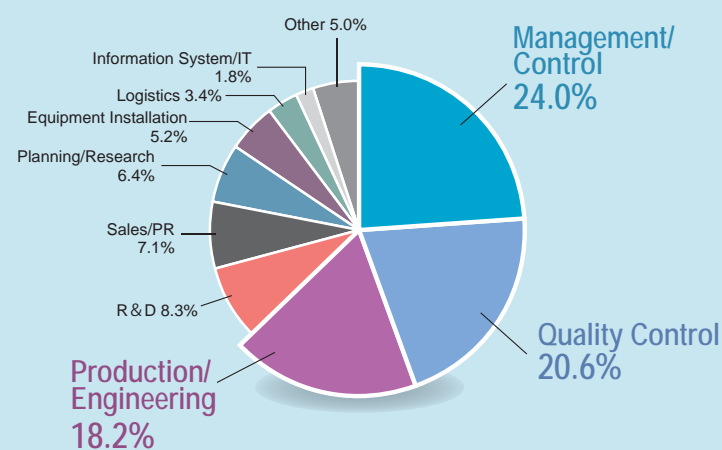

(incl. Visitors of co-located show)

Business Category

Job Category

Target Exhibits

Design / Repair

- Factory design
- Flooring, Wall materials
- Bird injury-preventing tool
- Key / Security
- Mold & Condensation countermeasure
- Engineering To attract food factories

Manufacturing Line Equipment & Parts

- Packaging device
- Filling machine / Pump
- Conveyer / Belt
- Image inspection
- Label Printer
- Piping / Valve / Nozzle
- Bearing

Energy-efficient & Environmental countermeasure

- Air conditioning equipment
- Light fixtures
- Factory Energy Management System
- Drain treatment apparatus
- Waste disposal equipment

Facility & Machine for Food Factory

- Shiftable stack / Hand truck
- Container
- Cooling / Freezer
- Duct / Filter
- Boiler
- Surface treatment

AI • IoT / Productivity improvement

- Production & Facilities management support software
- Inventory control & Demand forecast system
- Work efficiency solution
- Smart glass

Measures against disasters and industrial accidents

- Facility & Machine for disaster prevention
- Accident prevention tool / Workbench
- Labor environment improvement
- Cooling ware
- Guard fence
- BCP countermeasure

Food Robotics

- Robot for Food industry
- Collaborative robot
- System integration
- Picking / Transport / Packaging

Measures against food loss

- Demand forecasting systems
- Freshness enhancement, and food expiration date extension
- Food recycling
- Food sharing

Target Visitors

Food Company

- Meat processing
- Seafood processing
- Baking & Confectionery
- Dairy products
- Frozen food
- Crops & Milling
- Seasoning
- Noodles
- Beverage

Retailing Food Service

- Supermarket
- CVS
- GMS
- Process center
- Department store
- Franchised restaurant
- Hotel

Food Distribution

- Processed foods
- Perishable foods
- Fruit & Vegetable
- Cooling / Freezer
- Ingredient
- Distribution warehouse
