《F-SYS will offer you "new" and "reliable" connections in Japan. 》

### The specialty "Food" exhibition for school, hospital and mass-cooking

Latest equipment, machinery, service for mass-cooking will get together in F-SYS. The 14th Food Exhibition held every fall has been highly acknowledged as the ideal business communication place to collect the most up to date information.

### Meet major kitchen equipment makers! Find new business partners

Many major kitchen equipment makers attend the F-SYS exhibition. The exhibition has merits of direct communication with not only visitors but also exhibitors and future business partners. Furthermore, a number of food professionals will attend the exhibition, in relation to the other joint exhibitions on Facility Improvement for Food Factories, Food Safety, and Food Distribution, held at the same time.

### Attractive Event

Within the exhibition hall, Seminars will be held by experts of mass-cooking. Addition to these specific and practical seminars by them, the ones cover trend of mass-cooking are planned to be held this year as well. F-SYS expects more visits of food service managers, nutritionist, cook from food companies through the attractive seminar topics!
